

How a little information about assistance programs can be a big help with your bill.

It's not always easy to make ends meet. That's why we are committed to helping you get assistance with your electric bills as prices start to rise. We'll give you tips on saving energy and money, and connect you with a wide array of programs. For a little advice that can make a big difference, call 1-877-928-8928 or visit alleghenypower.com.

A few programs that can help:

- Electric Universal Service Program (EUSP)
- Universal Service Protection Program (USPP)

These programs support the EmPOWER Maryland Energy Efficiency Act.
