SCHEDULE 10 (Concluded)

Tax Adjustment Surcharge

The Tax Adjustment Surcharge included in this Tariff applies to charges under this Schedule.

Late Payment Charge

The above net rates apply if the current bill is paid in full within 20 days of the date of such bill and if all previous undisputed bills have been paid in full. A late payment charge of 1.25% per month of the unpaid balance of a bill will be made for failure to make payment in full by the due date. These charges are to be calculated on the overdue portion of the bill only. Such interest rate when annualized shall not exceed 15% simple interest per annum. A late payment charge on a disputed bill may be reduced or eliminated by the Company, or upon order by the Commission, to facilitate payment by the disputing Customer.

WATER HEATING

Water heaters shall be storage type equipped with a pressure-temperature relief valve located in the top of the tank and an over-temperature cutoff switch. Heating elements shall not exceed 5,500 watts each, shall be for 200 volts or more, shall be thermostatically controlled, and shall be interlocked to prevent simultaneous operation. The water heater, wiring, and piping shall also conform to Company standards in all other respects.

GENERAL

Compensating for Transmission and Distribution Losses.

Multiplying Customers' on-peak metered energy by 1.09333 and off-peak metered energy by 1.04808 produces the generation energy that must be delivered to the West Penn system. (C)

When two or more residential units up to a maximum of five units are supplied through a single meter, each shall be classed as a Single Family Residence, and the above appropriate Monthly Rate shall apply to each.

This Schedule is available for single-phase service to farms when supplied along with service for the residence through one meter.

Combination residential and commercial service may be taken on this Schedule when the entire service is taken through one meter and the total commercial connected load does not necessitate upgrade of service facilities.
