

**CHURCH AND SCHOOL HEATING RATE
SCHEDULE "CSH"**

AVAILABLE for electric heating service in a public or parochial school, or in a nonprofit college or university, or in a church, where electricity is used as the sole means of such heating, subject to the definition and conditions stated herein. This schedule is closed except to Customers being served under it and at their current service locations, or having contracted for service under it, on April 25, 1974.

MONTHLY RATE

All kilowatt-hours..... \$0.08639 per kilowatt-hour

DETERMINATION OF KILOWATT-HOURS USED FOR HEATING

It is preferred that the Customer's wiring be so designed and constructed that the heating service provided under this rate schedule may be metered separately from all other electric service used on the premises. However, at the Customer's option all electric service delivered to the electrically heated church or school facilities may be measured by one meter, in which case 80% of the total quantity of energy so delivered (and 85% of the maximum demand) in any billing period shall be considered to have been used for heating purposes and the balance of the energy use (and demand) registered by the meter shall be considered to have been used for purposes other than heating and shall be billed under an appropriate General Service Rate.

MINIMUM BILL

None.

LOCAL TAX ADJUSTMENT

Within municipalities or political subdivisions which impose taxes based upon the amount of electric service sold or revenues received by the Company as specified in Rule No. 18 of "Rules and Regulations for Electric Service," there shall be added to the total bill a surcharge equal to the percentage shown on Sheet No. 5A.

ENVIRONMENTAL CONTROL CHARGE NORMALIZATION SURCHARGE

An Environmental Control Charge Normalization Surcharge shall apply, as outlined on Sheet No. 5F1 of this tariff.

(C) ENVIRONMENTAL CONTROL CHARGE / ENVIRONMENTAL CONTROL CHARGE-2

An Environmental Control Charge and Environmental Control Charge-2 shall apply, as outlined on Sheet Nos. 5G1 and 5H1 of this tariff.

TERMS OF PAYMENT

Bills are due and payable on presentation. A late payment charge of 2% of the net bill will be added to each bill not paid in full within twenty (20) days from the date mailed.

GENERAL

Rates and provisions are subject to "Rules and Regulations for Electric Service."

The word "school" is used in this rate schedule in its customary sense to refer to a grade school, high school (through the twelfth grade), college, or college-related technical schools, consisting of but not limited to classrooms, laboratories, manual arts shops, domestic science kitchens, dormitories, and other facilities customarily associated with such schools. However, service for athletic field flood lighting, heavy duty shop motors, welding equipment, and for other special purposes will be excluded from the total service in the determination of quantities used for heating by the optional percentage method.

The word "church" is used in this rate schedule in its customary sense to refer to a building used principally for weekly services of religious worship and only incidentally at other times for activities related to religious objectives.

(C) Denotes Change
