ENERGY DATA SERVICES  
SCHEDULE EDS

AVAILABILITY

Energy Data Services are available to any Customer requesting time interval energy data. Customer without an existing recording meter may acquire a recording meter under the terms of this tariff.

RATES

Monthly energy data files	\$ 6.95 / month/meter
Daily energy data files	\$29.95 / month/meter
Setup fee	\$99.00 / account

Customized file formats - Data will be made available in several standard formats that may change periodically as required to accommodate changes in technology, customer needs, etc. Customers may request a customized file format for a fee, however the Company reserves the right to deny the request. The Company will provide a cost estimate to perform requested customizations.

Energy data analysis - The Company may offer optional energy analysis solutions to the customer requesting Energy Data Services. Energy data analysis services will be provided at mutually agreed to prices but not less than the incremental costs to provide these services.

Recording meter installation - In addition to the charges above, the following meter charges apply to a Customer that does not qualify for a recording kilowatt meter according to the terms of the Rate Schedule under which the Customer receives electric service.

Monthly recording meter fee	\$34.25 / month / meter
One-time meter installation fee	\$572.00

LOCAL TAX ADJUSTMENTS

Within municipalities or political subdivisions which impose taxes based upon the amount of electric service sold or revenues received by the Company, as specified in Rule No. 18 of "Rules and Regulations for Electric Service", there shall be added to the total bill a surcharge equal to the percentage shown on Sheet No. 5-1.

TERMS OF PAYMENT

Bills are due and payable on presentation. A late payment charge of 2% of the net bill will be added to each bill not paid in full within twenty (20) days from the date mailed.

ENERGY DATA SERVICES  
SCHEDULE EDS

TERM

No term. The Company has the option to withdraw this service upon thirty (30) days written notice to the Customer.

GENERAL

Monthly service - The Company provides energy data in 15-minute, 30-minute or 60-minute increments. The data is updated once per month concurrent with the Customer's bill and posted to a password secured Internet site in a downloadable file format. The data is posted within 3 days of the customer's regularly scheduled meter read date subject to the Company's ability to render such service.

Daily service – The Company remotely reads the customer meter each business day and posts an energy data file to a password secured Internet site in a downloadable format. The data will be available in 15-minute, 30-minute or 60-minute increments. Data will be posted by 10 am each business day subject to the Company's ability to render such service.

The Customer is responsible to provide the hardware (computer and internet connection) necessary to retrieve the interval energy data.
